MAY 18 1992

DIVISION OF  
OIL GAS & MINING

Dear Pamela:

Re: Division Order DO-92D, Highwalls, Co-Op Mining Company, Bear Canyon Mine,  
ACT/015/025, Emery County, Utah

#2

Attached are two copies of proposed pages 3-74, 3F-21, 3F-22, 3F-23 and 3F-24 (dated 5/92). References to "residual" or "reduced" highwalls have been removed. All other sections of the PAP were searched and no reference to "highwall"s were found in Chapters 1, 2, 4, 9, 10, or 11. Chapter 7 has one reference (p 101) and chapter 8 has two (pp 29 and 40). These three references do not conflict with the required removal of all highwalls.

Please review the attached submittal and notify me of any questions or concerns. The copies of the proposed revised pages and plates have been marked "DRAFT" to differentiate them from those previously approved. Additional copies of these pages will be forwarded to the Division upon receipt of written approval.

Thank you,

Kimly C. Mangum, P.E.

Ms. Grubaugh-Littig,

Enclosed please find a proposal designed by Mangum Engineering Consultants for a PAP modification and/or violation abatement. Please review and notify Co-Op Mining Company upon approval of the attached proposal. Thank You.

Sincerely,

Wendell Owen  
Resident Agent
